STATE OF SOUND ENTERTAINMENT

Terms and Conditions

State Of Sound Entertainment aims to provide the highest quality entertainment to its customers. However, we have the right to refuse work at any event if the following terms and conditions are not met. Please read the following carefully before filling in the booking form.

- 1.** All bookings must be completed by sending a booking form to us **EVEN IF** provisional bookings have been made over the telephone or internet. This is proof of booking for both you and us.
- 2.** A 25% non-refundable deposit of the agreed booking total must be made at least two weeks before the event. It is preferable that this deposit is paid when the booking is confirmed by us.
- 3.** All bookings are provisional until a letter of confirmation has been sent to the client by State of Sound Entertainment.
- 4.** Any bookings needing cancellation must be cancelled at least a week prior to the event. Clients failing to meet this requirement will be charged the full agreed fee.
- 5.** Any damage caused by any persons other than State Of Sound Entertainment personnel must be paid for by the person who booked the event.
- 6.** A signed copy of these terms and conditions must be supplied by clients when you return the booking form to State Of Sound Entertainment.
- 7.** State Of Sound Entertainment reserves the right to withdraw it's services if there is a threat to staff or a risk of damage to equipment.
- 8.** Our DJ requires approximately 45 minutes to set up prior to your event commencing, and 15 - 30 minutes at the end of the night to dismantle equipment and exit the venue. If access is good and we are familiar with the venue, this time can be reduced slightly. Please make sure you take this into account when booking your venue.
- 9.** We will require a minimum of 2 13-amp electrical sockets at the venue for powering our equipment, as it is not possible to run all our equipment from one socket. Please note: this does not mean a two way extension cable plugged into one socket.
